

# Low Rider

War

All my friends know the low rider  
The low rider is a little higher  
Low rider drives a little slower  
Low rider is a real goerLow rider knows every street, yeah  
Low rider is the one to meet, yeah  
Low rider don't use no gas now  
Low rider don't drive too fastTake a little trip, take a little trip  
Take a little trip and see  
Take a little trip, take a little trip  
Take a little trip with me
