

# Happy When I'm Sad

## Jonas Brothers

When I look at old stuff, lookin' like it's over  
Lookin' like I'm never going to be that again  
Crying over old loves even though they're over  
Never gonna stay friends, yeah, stay friends  
They think I'm happy  
They think I'm happy when I'm sad  
They think I'm happy  
They think I'm happy when I'm  
They think I'm happy  
They think I'm happy when I'm sad  
They think I'm happy  
They think I'm happy when I'm  
Can't look how we made it, say
