

# Daddy Says No

## Haschak Sisters

Daddy!  
Wait, why are we out here again?  
Because, mom said while she's away we have to spend quality time with dad  
Ugh I just wanna have some fun  
Jump in my jeep and enjoy the sun  
I just wanna I just wanna get up and go  
Cause my heart says yes  
But my daddy says no I just wanna live my life  
Call my friends and stay up all night  
I just wanna I just wanna have a good time  
Cause my heart says yes, yes, yes  
But my daddy says no  
Please daddy please daddy please  
You know that I want one of these  
Plus all my friends got cars when they turn 16  
Dad please  
I wanna white jeeps Wait, hair straight or curled?  
Hi very best daddy in the world  
Oh, by the way do you mind some friends spend the night  
Its only like 25 girls Dad please let me go with my friends  
I promise to be back from the mall by 10  
It's just like me and my girl  
(And like 4 guys)  
Madison?!  
(What?)  
Daddy, they're just friends  
Ew!  
Daddy please come quick  
I just saw a bug on the ground this big  
Someone get a cup or a broom or a bag or a lighter in case  
I see it all. Ahh! I just wanna have some fun  
Jump in my jeep and enjoy the sun  
I just wanna I just wanna  
Get up and go  
Cause my heart says yes  
But my daddy says no Uh!  
I just wanna live my life  
Call my friends and stay up all night  
I just wanna I just wanna  
Have a good time  
Cause my heart says yes, yes, yes  
But my daddy says no Ugh! Yes, yes, yes

But my daddy says noUh! Yes, yes, yes  
But my daddy says noI promise that I'll pay it all back  
Besides, I've already done all the math  
See?  
If we buy right now  
Look right here  
It'll only take 28 yearsSorry I've been on the other line  
Some other girls called  
So now it's 35  
I ordered like 40 pizzas  
I hope that was right  
Um, daddy can you pay the pizza guy?Daddy real quick and I'm through  
I can still make the movie with my friends by 2  
So I tried to call mom  
Cause I know that you're really really busy  
But she told me that I had to ask youOhhh daddy I feel sick  
I think we should head to the store really quick  
My head feels hot  
And my throat needs something really cold  
Only ice cream will do the trickI just wanna have some fun  
Jump in my jeep and enjoy the sun  
I just wanna I just wanna get up and go  
Cause my heart says yes  
But my daddy says noI just wanna live my life  
Call my friends and stay up all night  
I just wanna I just wanna have a good time  
Cause my heart says yes, yes, yes  
But my daddy says noOh! Yes, yes, yes  
But my daddy says noOh! Yes, yes, yes  
But my daddy says noDad I'm ready to make a deal  
We don't have to get the black rimsDad, great news  
I've got it all the way down to 17 girls  
Deal?Dad, I'm going to be so late  
I just need you to say yes  
My friends are down the streetCome on guys  
Maybe we shouldn't ask him anymorePlease! I just wanna have some fun  
Jump in my jeep and enjoy the sun  
I just wanna I just wanna get up and go  
Cause my heart says yes  
But my daddy says noI just wanna live my life
