

# Find a Way (feat. Rudy)

## Dirty South

Til our world's collide, I'm here forever  
Until I'll find you  
And signs on my side, I'll wait forever  
I know I'll find you  
I will find a way  
I will find a way  
I will find a way  
Til our world's collide, I'm here forever  
Until I'll find you  
And signs on my side, I'll wait forever  
I know I'll find you  
I will find a way  
I will find a way  
I will find a way  
I will find a way  
I will find a way  
I will find a way
