

# The Triumph (feat. Casey Lee Williams)

## Jeff Williams

Back to the fairytale  
Back to the show  
Back to the wall  
And there's nowhere to go  
Hopeless and desperate  
All paths adverse  
Things lookin' bleak  
Yeah, and they're 'bout to get worse. Helpless and doomed  
And there's no way to win  
Goals unachievable  
Faith running thin  
Lost and forlorn  
Impossible odds  
That's when you'll learn  
You've been messing with gods  
Send in your Grimm  
Tear off my limb  
Strike me with bolts of lightning  
I won't die!  
The battle seems unwinnable  
But all we need's a miracle  
We're going up, we'll never be denied! Can't wish away the dismal days  
Can't bring back what is gone  
Won't waste more tears on yesteryears  
Instead, we'll carry on! We'll win, for sure, we will endure  
And though our goal is far  
We'll be the ones to touch the sun  
Triumph will be ours!  
Nowhere to run now  
No time to grieve  
No other choices  
It's die or believe  
Not backing down  
We're standing at last  
Defeat and dejected are things of the past This is the moment  
This is the day  
This is the place  
And we came here to slay  
Yeah I'm a girl  
But I'm also a gun  
That's it, I'm deadly  
You'll never outrun Strike down my friends

I'll never bend  
Right to the end, I'm fighting  
Glorified!  
And though it's unpredictable  
We're heading for the pinnacle  
We'll never stop  
We're headed towards the sky  
Can't wish away the dismal days  
Can't bring back what is gone  
Won't waste more tears on yesteryears  
Instead, we'll carry on!  
We'll win, for sure, we will endure  
And though our goal is far  
We'll be the ones to touch the sun  
Triumph will be ours!  
It's not destiny  
It would be a great mistake to think so  
Every choice is ours and ours alone  
This doesn't open up like fate  
This is the future we create  
And we're powered by  
Every tear that's dried  
Can't wish away the dismal days  
Can't bring back what is gone  
Won't waste more tears on yesteryears  
Instead, we'll carry on!  
We'll win, for sure, we will endure  
And though our goal is far  
We'll be the ones to touch the sun  
Triumph will be ours!  
The triumph will be ours!
