

Wallflower

[Diana Krall](#)

Wallflower, wallflower won't dance with me
I'm sad and lonely too
Wallflower, wallflower won't you dance with me
I'm falling in love with you Just like you, I'm wondering what I'm doing here
Just like you, I'm wondering what's going on Wallflower, wallflower won't you dance with me
The night will soon be gone I have seen you standing in the smokey haze
And i know that you're gonna be my one last dance
Mine alone
Wallflower, wallflower take a chance on me
Please let me ride you home
Wallflower, wallflower won't you dance with me
I'm sad and lonely too
Wallflower, wallflower take a chance on me
I'm falling in love with you
I'm falling in love with you
