

# One Last Time

Veruca Salt

I wind you up then i wait here for the melancholy  
I give you up while you sit here in all your glory  
I never thought you would  
I never knew you could  
but now you're gone and i don't think i care I sold your love down the river for a bow and arrow  
Euphoria has just been here and she's looking terrible  
I never sunk this low  
It's better if you go  
When you're nearby I see you and i want you try  
To love me like a monster  
One last time  
Control me like a father  
One last time  
Stay with me till i'm stronger  
One last round to kick me when i'm down  
Don't kick me when im down  
I never thought you would  
I never understood and that's why  
I'm weak and I want you to try  
To make me an example  
One last time  
To drag me through the cycle  
One last time  
To make me a disciple  
One last round  
Will get me to the ground  
You'll get me on the ground  
You, i'll see you around  
Yeah, i'll see you around  
One last time  
and i'll see you around  
Yeah, i'll see you around Na Na Na Na Na Na Na Na Na Na Na Na Na Na Na Na (x9)
