

# Born to Be Your Woman

Joey + Rory

You're my man and I'm your woman  
Where you lead me, I will go  
I will stand strong beside you  
No matter how hard the wind might blow  
Our love will last forever  
Like this diamond on my hand  
'Cause I was born to be your woman  
And you were made to be my man  
You're the bread in my body  
You're the blood that's in my veins  
You're my strength when I grow weary  
You're my shelter when it rains  
Our love will last forever  
Like this golden wedding band  
'Cause you was born to be my woman  
And I was made to be your man  
We are bound by God forever  
We're part of a bigger plan  
'Cause I was born to be your woman  
And I was made to be your man
