

# Called Out in the Dark

## Snow Patrol

It's like we just can't help ourselves  
Cause we don't know how to back down  
We were called out to the streets  
We were called out into the towns  
How the heaven's they opened up  
Like arms of dazzling gold  
With our rain washed histories  
When we're do not need to be told Show me now  
Show me the arms aloft  
Every eye Trained on a different star  
This magic  
This drunken semaphore  
We are listening  
And we're not blind  
This is your life  
This is your time  
We are listening  
And we're not blind  
This is your life  
This is your time I was called out in the dark  
By a choir of beautiful cheats  
As the kids took back the parks  
You and I were left with the streets  
Show me now  
Show me the arms aloft  
Every eye  
Trained on a different star  
This magic  
This drunken semaphore  
We are listening  
And we're not blind  
This is your life  
This is your time  
We are listening  
And we're not blind  
This is your life  
This is your time  
We are listening  
And we're not blind  
This is your life  
This is your time
