

# Something to Dance For

## Zendaya

A dream like this, that's something you wish for  
A dream like this, that's something you ask for  
When it's a gift worth taking a chance for  
Then this is something you dance for Hey yeah yeah, ohh this is something you dance  
for There's a moment when you look to decide  
Who will fall, who will survive  
That's the moment when you find it inside  
On the line, this is your time  
And it's all I want, and it's all I do  
A dream like this, that's something you wish for  
A dream like this, that's something you ask for  
When it's a gift worth taking a chance for  
Then this is something you dance for Can you believe it you feel alive?  
Hit your mark, ready to rise  
Your body's aching but your heart doesn't mind  
Feel on the ground, eyes on the prize  
And it's all I want and it's all I do... A dream like this, that's something you wish for  
A dream like this, that's something you ask for  
When it's a gift worth taking a chance for  
Then this is something you dance for A dream like this, that's something you wish for  
A dream like this, that's something you ask for  
When it's a gift worth taking a chance for  
Then this is something you dance for  
For the love, for the fame, to bring down the rain  
By the way that you feel when they're calling your name  
For the days, nothing more, it's just you on the floor  
Oh this is something you dance for  
A dream like this, that's something you wish for  
A dream like this, that's something you ask for  
When it's a gift worth taking a chance for  
Then this is something you dance for  
A dream like this, that's something you wish for  
A dream like this, that's something you ask for  
When it's a gift worth taking a chance for  
Then this is something you dance for
