

# Midnight At the Lost and Found

## Meat Loaf

Hey Ricky, now mine is empty  
How about one for you  
We could set it out together  
Seems tomorrow's overdue  
Captain Video, done went home  
One pilot laid to rest  
And dragon ladies talk that talk  
About who loves who - who loves best  
Silver bullets in the jukebox  
Spin another round  
Everybody at the back of the line  
It's midnight at the lost and found  
Midnight at the lost and found  
Lost souls in the hunting ground  
A remedy for all your ills  
At the lost and found  
Midnight at the lost and found  
Midnight...  
Have a double it's gettin' late  
You'll get home home, just rely on fate  
Place just finally came alive  
Good old boys just arrived  
Stools keep changin' faces  
And the night just slips away  
And like a long distance love affair  
Soon you've got to pay  
Silver bullets in the jukebox  
Spin another round  
Everybody at the back of the line  
It's midnight at the lost and found  
Midnight at the lost and found  
Lost souls in the hunting ground  
A remedy for all your ills  
At the lost and found  
Midnight at the lost and found  
Midnight...  
Hangin' on barely, hitch a ride away  
Belly up and bury, boy, all the hurt you feel today  
Hangin' on barely, hitch a ride away  
Belly up and bury, boy, all the hurt you feel today  
Silver bullets in the jukebox  
Spin another round  
Everybody get back in line  
Last call for the lost and found  
Midnight at the lost and found

Lost souls in the hunting ground  
A remedy for all your ills  
At the lost and found  
Midnight at the lost and found  
Lost souls in the hunting ground  
A remedy for all your ills  
At the lost and found  
Midnight at the lost and found  
Lost souls in the hunting ground  
A remedy for all your ills  
At the lost and found  
Midnight at the lost and found  
Lost souls in the hunting ground  
A remedy for all your ills  
At the lost and found  
(Midnight ...  
Midnight ...  
Midnight ...  
Midnight ...  
Midnight ...  
Midnight ...  
Midnight ...  
Midnight ...)
