

# Welcome to Hell

## Plan B

Welcome to hell  
Welcome to hell that's what I heard them sing  
Welcome to hell yeah  
Oh we're so happy that you're here today There's a warden waiting to meet me  
As I make my way inside of the jail  
He smiles at me ever so sweetly  
And sends to me on route to my cell Welcome to hell  
Welcome to hell that's what I heard them sing  
Welcome to hell yeah  
Oh we're so happy that you're here today Grins all up on their faces  
Lookin so delighted I'm here  
Murders, robbers and rapists  
All shouting up in my ear  
Welcome to hell  
Welcome to hell that's what I heard them sing  
Welcome to hell yeah  
Oh we're so happy that you're here today Put my brave face on  
Can't let 'em know that I'm scared  
Put my brave face on  
Cos if they know then I'm dead  
I put my brave face on  
Can't let 'em know that I'm scared  
I put my brave face on And don't I know, don't I know, don't I know  
Just how low, just how low, just how low (just how low)  
I've fallen down, I've fallen down  
And I can see, I can see, I can see  
What's in store for me, oh for me, oh for me  
Fallin out, there's no way out now  
Welcome to hell  
Welcome to hell that's what I heard them sing  
Welcome to hell yeah  
Oh we're so happy that you're here today  
Welcome to hell yeah  
Welcome to hell that's what I heard them sing  
Welcome to hell hey  
Oh we're so happy that you're here today oh oh yeah Put my brave face on  
Can't let 'em know that I'm scared  
I put my brave face on  
Cos if they know then I'm dead  
I put my brave face on  
Can't let 'em know that I'm scared  
I put my brave face on Put my brave face on

Can't let 'em know that I'm scared  
I put my brave face on  
Cos if they know then I'm dead  
I put my brave face on  
Can't let em know that I'm scared  
I put my brave face on
