

Your Old Lady

David Lindley

Your old lady sure looks good to me
Your old lady sure looks good to me
Don't wanna lose you 'cos you're my friend
But your old lady, she start livin' in
Your old lady sure looks good to me
Your old lady sure looks good to me
Your old lady is my old lady too
Your old lady is my old lady too
Oh brother, one thing that I know
Somebody, somebody's got to go
Your old lady is my old lady too
Your old lady is my old lady too
