

Echo

Incubus

There's something about the look in your eyes
Something I noticed when the light was just right
Oh, it reminded me twice that I was alive
And it reminded me that you're so worth the fight, ooh yeah My biggest fear will be the rescue
of me
Strange how it turns out that way, yeah Could you show me dear, something I've not seen
Something infinitely interesting?
Could you show me dear, something I've not seen
Something infinitely interesting? Oh There's something about the way you move
I see your mouth in slow motion when you sing
More subtle than something someone contrives
Your movements echo that I have seen the real thing, ooh yeah Your biggest fear will be the
rescue of you
Strange how it turns out that way, yeah
Could you show me dear, something I've not seen
Something infinitely interesting?
Could you show me dear, something I've not seen
Something infinitely interesting?
