

Comfortably Numb

Van Morrison

Hello
Is there anybody in there?
Just nod if you can hear me
Is there anyone home? Come on now
I hear you're feeling down
Well, I can ease your pain
And get you on your feet again Relax
I need some information first
Just the basic facts
Can you show me where it hurts? There is no pain, you are receding
A distant ship's smoke on the horizon
You are only coming through in waves
Your lips move but I can't hear what you're sayin'
When I was a child I had a fever
My hands felt just like two balloons
Now I got that feeling once again, I can't explain
You would not understand, this is not how I am I have become comfortably numb Okay
Just a little pinprick
There'll be no more
But you may feel a little sick Can you stand up?
I do believe it's working good
That'll keep you going through the show
Come on it's time to go There is no pain, you are receding
A distant ship's smoke on the horizon
You are only coming through in waves
Your lips move but I can't hear what you're sayin'
When I was a child I caught a fleeting glimpse
Out of the corner of my eye
I turned to look but it was gone, I cannot put my finger on it now
The child is grown, the dream is gone And I have become comfortably numb
