

Right Now Praise

[Jonathan Nelson](#)

I am just one praise from my breakthrough I'm just one praise away from my blessing So I must reach down inside to the depths of my soul and bring forth a right now praise that's already in me.

You are just a praise from your breakthrough just a praise away from your blessing if you just reach down inside to the depths of your soul and bring forth a right now and praise that's already in you.

um.

For its my praise aww aww aww.

that produces fresh oil

Fressssh oil fresh oil

And its the oil of the anointing that destroys every yoke Sooo I'll just reach down inside to the depths of my soul and bring forth hhhhhh a right now and praise Praise a right now praise

Praise a right now praise call it forth...

praise...
