

# We Are Golden

MIKA

Teenage dreams in a teenage circus  
Running around like a clown on purpose  
Who gives a damn about the family you come from  
No giving up when you're young and you want someRunning around again (Running around  
again)

Running from running  
Running around again (Running around again)  
Running from runningWaking up in the midday sun  
What's to live for when you could see what I've done?  
I stay out of motion in the light of day  
I was hiding from the things that you'd sayWe are not what you think we are

We are golden, we are golden  
We are not what you think we are  
We are golden, we are golden  
Teenage dreams in a teenage circus  
Running around like a clown on purpose  
Who gives a damn about the family you come from  
No giving up when you're young and you want someRunning around again (Running around  
again)

Running from running  
Running around again (Running around again)  
Running from runningI was a boy at an open door  
Why are you staring? Do you still think that you know?  
Looking for treasure in the things that you threw  
Like a magpie, I live for glitter not youWe are not what you think we are  
We are golden, we are golden  
We are not what you think we are  
We are golden, we are golden  
Teenage dreams in a teenage circus  
Running around like a clown on purpose  
Who gives a damn about the family you come from  
No giving up when you're young and you want someNow I'm sitting alone and I'm looking for  
help

Left here on my own, I'm gonna hurt myself  
Many years have gone by, I'm still wondering why  
I ever let the world let it bleed me dryWe are not what you think we are, we are...  
We are not what you think we are, we are...

We are not what you think we are  
We are golden, we are goldenTeenage dreams in a teenage circus  
Running around like a clown on purpose  
Who gives a damn about the family you come from  
No giving up when you're young and you want someRunning around again (Running around

again)  
Running from running  
Running around again (Running around again)  
Running from running We are not what you think we are  
We are golden, we are golden  
We are not what you think we are  
We are golden, we are go... We are not what you think we are  
We are golden, we are golden
