

# Lost In You

## Three Days Grace

I always knew that you'd come back to get me  
And you always knew that it wouldn't be easy  
To go back to the start to see where it all began  
Or end up at the bottom to watch how it all ends... You tried to lie and say I was everything  
I remember when I said, "I'm nothing without you."

(I'm nothing without you...)

Somehow I found, A way to get lost in you

Let me inside,

Let me get close to you

Change your mind,

Or get lost if you want me to

Somehow I found,

A way to get lost in you...

You always thought that I left myself open,

But you didn't know I was already broken

I told myself that it wouldn't be so bad,

But pulling away took everything I had...

You tried to lie and say I was everything, I remember when I said, "I'm nothing without you."

(I'm nothing without you...)

Somehow I found,

A way to get lost in you Let me inside,

Let me get close to you

Change your mind,

Or get lost if you want me to;

Somehow I found,

A way to get lost in you...

In you...

The pain of it all,

The rise and the fall,

I see it all,

In you

Now every day,

I find myself saying,

I want to get lost in you!

I'm nothing without you... Somehow I found,

A way to get lost in you

Let me inside,

Let me get close to you

Change your mind,

Or get lost if you want me to

Somehow I found, (somehow I found)

A way to get lost in you...

A way to get lost, (a way to get lost)  
In you... (in you...)
