## **Angel Eyes**

## **Love and Theft**

She likes whiskey with her water She starts dancing when the stars come out She ain't your typical preacher's daughter She'll leave you dreamin' yeah there ain't no doubtThere's a little bit of devil in her angel eyes She's a little bit of heaven with a wild side Got a rebel heart a country mile wide, there's a little bit of devil in her angel eyesA little bit of devil in her angel eyes Saturday night she's rockin' out by the bonfire Flirtin' from that tail gate and crankin' up the dial Drivin' me crazy with that kiss me smile There's a little bit of devil in those angel eyes She's a little bit of heaven with a wild side Got a rebel heart, a country mile wide, there's a little bit of devil in her angeleyes There's a little bit of devil, in her angel eyes I can't stop wonderin' what it would feel like To hold her all nightShe's got that something That sexy innocence, she must be heaven sent There's a little bit of devil in her angel eyes She's a little bit of heaven with a wild side Got a rebel heart a country mile wide There's a little bit of devil in her angel eyes There's a little bit of devil in those angel eyes She's a little bit of heaven with a wild side Got a rebel heart a country mile wide There's a little bit of devil in her angel eyes There's a little bit of devil in her In those angel, in those angel eyes
