

Dizzy

Orgy

You're just another pretty face
In a room full of whores
No you don't mean much
Used to be so naive
Catatonic now you seem to be
So much better than before Dumb dumb dizzy dizzy
Dumb dumb
Dumb dumb dizzy dizzy
Dumb dumb
Now you've made a mess of yourself
You've made a mess of everything
You're a mess a fucking mess
Now you've made a mess of yourself
You've made a mess of everything
You're a mess a fucking mess
Now you've made a mess of yourself
You've made a mess of everything
You're a mess a fucking mess
Now you've made a mess of yourself
You've made a mess of everything
You're a mess a fucking mess Dumb dumb dizzy dizzy
Dumb dumb
Now you've made a mess of yourself
You've made a mess of everything
You're a mess a fucking mess
Now you've made a mess of yourself
You've made a mess of everything

You're a mess a fucking mess
Now you've made a mess of yourself
You've made a mess of everything
You're a mess a fucking mess
Now you've made a mess of yourself
You've made a mess of everything
You're a mess a fucking mess You're just another pretty face
In a room full of whores
No you don't mean much
Used to be so naive
Catatonic now you seem to be
So much better than before Now you've made a mess of yourself
You've made a mess of everything
You're a mess a fucking mess
Now you've made a mess of yourself
You've made a mess of everything
You're a mess a fucking mess.
