

# Now That We're Done

## Metro Station

Everybody get down  
She's just a friend, you see, you always agree  
You know I lie but you still trust me  
And you believed in so much hope  
But I'm the one who let you go  
Now that we're done I'm so sorry  
Why did I lie? I'm so sorry  
I know I hurt you  
Well, I know I hurt you  
Now that we're done I'm so sorry  
Why did I lie? I'm so sorry  
I know I hurt you  
Well, I know I hurt you  
Whoa, everybody get down  
Whoa, everybody get down  
Everybody get down  
You still call my phone 'cause you still want me  
I'll tell my friends you're so annoying  
You'll cry and curse when you're alone  
But laugh and flirt when we're on the phone  
Now that we're done I'm so sorry  
Why did I lie? I'm so sorry  
I know I hurt you  
Well, I know I hurt you  
Now that we're done I'm so sorry  
Why did I lie? I'm so sorry  
I know I hurt you  
Well, I know I hurt you  
Whoa, everybody get down  
Whoa, everybody get down  
Everybody get down  
And now I see you with him  
And it was nothing like I thought it'd be  
(And I'll break down for you)  
And now I see you with him  
And it was nothing like I thought it'd be  
Now that we're done I'm so sorry  
Why did I lie? I'm so sorry  
I know I hurt you  
Well, I know I hurt you  
Now that we're done I'm so sorry  
Why did I lie? I'm so sorry  
I know I hurt you  
Well, I know I hurt you  
Now that we're done I'm so sorry  
Why did I lie? I'm so sorry  
I know I hurt you  
Well, I know I hurt you  
Now that we're done I'm so sorry  
Why did I lie? I'm so sorry  
I know I hurt you  
Well, I know I hurt you  
Whoa, everybody get down  
Whoa, everybody get down
