

God Is for Me (feat. Patrick Dopson)

[Hezekiah Walker](#)

Verse: Oh my brother, you can look up
Oh my sister, you've had enough
Things are changing
Follow the plan, at hand, He has for you I'm a witness, sometimes we cry
We will win this, by morning time
Things are changing
Follow the plan, and sing these words Chorus:
When in trouble, No despair
Every challenge, I'm aware
God is for me
God is for me
God is for me
God is for me My position, understood
It's all working for my good
God is for me
God is for me
God is for me
God is for me Vamp: And he will be there
Yes he will be there
As long as we are calling His name
Yes He will be there
We're calling Jesus
We're calling Jesus
As long as we are calling His name
Yes He will be there Repeat Chorus God is for me (repeat until End)
