

Azamane Tiliade

Bombino

Awene azamane
Azamane n tilyaden
Tarha nasnate
Tiglate isgabayyine Yallawate ayitma
Yoffa anulu gabba
Fel tilyaden nanagh
Tin n anada n azamane This era
The era of young girls
Their way of loving
Works in a different way
Prayers to you, my brothers
Better to be attentive
For our girls
Those of this era
