

# Ripped Pants

## SpongeBob SquarePants

I thought i had everybody on my side  
But I went and blew it all sky high  
And now she wont even spare a passing glance  
All just because i (rip) ripped my pants(Singing)  
When big larry came round just to put him down  
Spongebob turned into a clown  
And no girl ever wants to dance  
with a fool who went and (rip) ripped his pants I no I shouldnt mope around I shouldnt curse  
But the pain feels so much worse  
Cause windin up with no1 is a lot less fun then a burn  
from the sun Or sand in your buns!  
Now I learned a lesson I wont soon forget  
So listen and u wont regret  
Be true to urself dont miss your chance  
and u wont end up like the fool who ripped  
his pants
