

# Open

## Rhye

I'm a fool for that shake in your thighs  
I'm a fool for that sound in your sighs  
I'm a fool for your belly  
I'm a fool for you love I wanna make this plain  
Ooh, i know your faded  
Hmm, but stay, don't close your hands  
I wanna make this plain  
Ooh, i know your faded  
Hmm, but stay, don't close your hands  
Caught in this pool held in your eyes  
Caught like a fool without a line  
We're in a natural spring  
with this gentle sting between us I wanna make this plain  
Ooh, i know your faded  
Hmm, but stay, don't close your hands  
I wanna make this plain  
Ooh, i know your faded  
Hmm, but stay, don't close your hands Ooh, stay open  
Ooh, stay open Stay open  
Stay open  
I wanna make this plain  
Ooh, i know your faded  
Hmm, but stay, don't close your hands  
I wanna make this plain  
Ooh, i know your faded  
Hmm, but stay, don't close your hands  
Stay open  
Stay open  
Stay open  
Ooh, stay open
