

Left Outside Alone

Anastacia

All my life I've been waiting
For you to bring a fairy tale my way
Been living in a fantasy without meaning
It's not okay, I don't feel safe
I don't feel safe, ohhh
Left broken, empty in despair
Wanna breathe, can't find air
Thought you were sent from up above
But you and me never had love
So much more I have to say
Help me find a way
And I wonder if you know
How it really feels
To be left outside alone
When it's cold out here
Well maybe you should know
Just how it feels
To be left outside alone
To be left outside alone
I tell ya
All my life I've been waiting
For you to bring a fairy tale my way
Been living in a fantasy without meaning
It's not okay, I don't feel safe
I need to pray
Why do you play me like a game?
Always someone else to blame
Careless, helpless little man
Someday you might understand
There's not much more to say
But I hope you find a way
Still I wonder if you know
How it really feels
To be left outside alone
When it's cold out here
Well maybe you should know
Just how it feels
To be left outside alone
To be left outside alone
I tell ya
All my life I've been waiting
For you to bring a fairy tale my way
Been living in a fantasy without meaning
It's not okay, I don't feel safe
I need to pray
Ohhh, pray
(Oh, heavenly Father, please, save me)

Oh heavenly father, oh save me, ohhhhAnd I wonder if you know
How it really feels
To be left outside alone
When it's cold out here
Well maybe you should know
Just how it feels
To be left outside alone
To be left outside aloneI said, I said I wonder if you know
How it really feels (how it feels)
To be left outside alone
When it's cold out here
Well maybe you should know
Just how it feels
To be left outside alone
To be left outside alone, aloneAll my life I've been waiting
For you to bring a fairy tale my way
Been living in a fantasy without meaning, ooh
It's not okay, I don't feel safe
I need to pray
