

# Between You and Me

## DC Talk

Sorrow is a lonely feeling  
Unsettled is a painful place  
I've lived with both  
For far too long now  
Since we've parted ways I've been wrestling  
With my conscience  
And I found myself to blame  
If there's to be any resolution  
I've got to peel my pride away Just between you and me  
I've got something to say  
Wanna get it straight  
Before the sun goes down  
Just between you and me  
Confession needs to be made  
Recompense is my way to freedom now Just between you and me  
I've got something to say If confession is the road to healing  
Forgiveness is the promised land, oh  
I'm reaching out in my conviction  
I'm longing to make amends, yeah So I'm sorry for  
The words I've spoken  
For I've betrayed a friend  
We've got a love  
That's worth preserving  
And a bond I will defend  
Just between you and me  
I've got something to say  
Wanna get it straight  
Before the sun goes down Just between you and me  
Confession needs to be made  
Recompense is my way to freedom Just between you and me  
I've got something to say In my pursuit of God  
I thirst for holiness  
As I approach the Son  
I must consider this Offenses unresolved  
Will keep me from the throne  
Before I go to Him  
My wrong must be atoned If there's to be any resolution  
I've got to peel this pride away  
Ooh, whoa, whoa, whoa Just between you and me  
I've got something to say  
Wanna get it straight  
Before the sun goes down Just between you and me

Confession needs to be made  
Recompense is my way to freedomIt's my way to freedom  
It's my way to freedom  
It's my way to freedom  
I've got something to say  
So let me say it todayIt's my way to freedom  
It's my way to freedom  
I've got something to say  
Confession needs to be madeIt's my way to freedom  
It's my way to freedom  
I've got something to say  
Confession needs to be madeIt's my way to freedom  
It's my way to freedom  
I've got something to say
