

# Free to Love You

Tommy Shaw

I don't want to grow up  
To be a preacher  
I don't want your soul in my hands  
Oh and I don't want to sentence you to some  
Heaven or hell  
You'll have to do that for yourself  
All I want to do is be free to love you  
Don't say a word  
Right now don't say a word  
I've already heard too many words  
Can't hear a sound  
My heart can't hear a sound  
My ear's to the ground  
Oh and true love should be  
Two hearts set free  
I don't want to grow up  
To be a lawyer  
I don't want your future in my hands  
Oh and I don't want a percentage  
Of what you stand to lose  
There must be bigger things to do  
All I want to do is be free to love you  
Don't say a word  
Right now don't say a word  
I've already heard too many words  
Can't hear a sound  
My heart can't hear a sound  
My ear's to the ground  
Oh and true love should be  
Two hearts set free  
And you love should see  
One heart is me
