

Thom Pettie (feat. Little Dragon & Killer Mike)

Big Boi

Thom Pettie that ho
Thom Pettie that ho
Thom Pettie that ho
Free falling, Thom Pettie
Thom Pettie that ho
Thom Pettie that ho
Thom Pettie that ho
Freefalling, we up all night[Verse 1: Big Boi]
I brought one chain for medallion
With a whole lot of motherfucking diamonds
It's astounding like when I be rhyming
Always shining like the sun and moon
Like a hot air balloon requires fire
No methamphetamine, but nigga we get higher
Big Boi, dopamine, I mean I'm dope
Ain't near when you niggas can't even come close
Simple fat sacks
Been a serial killer, oh nice to meet you, best believe that
Like Ripley's boy, don't tempt me
I fuck around and leave your kool-aid glass half empty
Your time is running, I'm just like the sand in it
Been jamin' in half & half of you niggas know you can't get it
That's right, it as in IT
We like the apple on your iPhone, niggas always biting
Thom Pettie that ho
Thom Pettie that ho
Thom Pettie that ho
Free falling, Thom Pettie
Thom Pettie that ho
Thom Pettie that ho
Thom Pettie that ho
Freefalling, we up all nightWe shining like the sun and moon
All of your wishes falling through
They chasing after you
And climbing up the moon
We shining like the sun and moon
All of your wishes falling through
They chasing after you
And climbing up the moon
(Motel, hotel)
Motel, hotel
Intercontinental, all cause a nigga push a pencil

That's an S550, not a rental
Bitch, I don't even ride, nigga continental
In the rear seat is a fat black nigga with a smile like Denzel
Pretty model bitch with me moving bout as graceful as a gazelle
Skinny as a pencil, foreign like a pretzel
Hit her with the XL
Just in case this funky ass bitch was doing Intel
I'mma give her new shit and go tail
Snitchin' ass bitches get evicted, no bus fair
Grown ass women ride a Bentley that's so clear
I'm so clear, SpottieOttieDopaliscious
Mama phony but I swear to God the pussy dope and she delicious
One time for my wife and my mistress, gone Thom Pettie that ho
Thom Pettie that ho
Thom Pettie that ho
Free falling, Thom Pettie
Thom Pettie that ho
Thom Pettie that ho
Thom Pettie that ho
Freefalling, we up all night We shining like the sun and moon
All of your wishes falling through
They chasing after you
And climbing up the moon
We shining like the sun and moon
All of your wishes falling through
They chasing after you
And climbing up the moon
