

# Rock Star (Jason Nevins Remix Edit)

## N.E.R.D

Fuckin' posers  
It's almost over now  
It's almost over now  
Yeah  
Fuckin' posers  
It's almost over now  
It's almost over now  
Yeah You think the way you live is okay  
You think posin'  
Will save the day  
You think we don't see  
That you're running  
Better call your boys  
'Cause I'm coming  
You can't be me  
I'm a Rock Star  
I'm rhyming on the top of a cop car  
I'm a rebel and my .44 pops far It's almost over now  
It's almost over now I guess  
You ain't heard that we swallow guys  
It's too damn late to apologize  
When you see the mantle or will you see the skies It's almost over now  
It's almost over now You think that you don't have to ever quit  
You think that you can get away with it You think the light won't be ever lit It's almost over now  
Almost over now  
Something's on your chest  
Better get it off  
There'll be no one left when we set it off  
We ain't gonna take it no more  
Since It's almost over now  
Almost over now You have to plenty of time  
There was no rush  
But it was your dream to be like us  
You're in dreamland so you don't care  
And as you wait  
I'm standing there You can't be me  
I'm a Rock Star  
I'm rhyming on the top of a cop car  
I'm a rebel and my .44 pops far It's almost over now  
It's almost over now I guess  
You ain't heard that we swallow guys  
It's too damn late to apologize

When you see the mantle or will you see the skiesIt's almost over now  
It's almost over nowYou think that you don't have to ever quit  
You think that you can get away with itYou think the light won't be ever litIt's almost over now  
Almost over nowSomething's on your chest  
Better get it off  
There'll be no one left when we set it off  
We ain't gonna take it no more  
SinceIt's almost over now  
Almost over nowYou don't succeed cause you hesitate  
You think we're fly  
But we levitate  
Just be yourself  
Don't ask us why  
'Cause if you don't we'll make you flyYou can't be me  
I'm a Rock Star  
I'm rhyming on the top of a cop car  
I'm a rebel and my .44 pops farIt's almost over now  
It's almost over nowI guess  
You ain't heard that we swallow guys  
It's too damn late to apologize

Almost over now
