

# Still Not Falling

## Shy Girls

Somehow I knew that you would know me better than that  
All this commotion, none of the emotion  
I think I want it over, but you wanna come over  
I ain't a world class gentleman baby  
You don't know like you should that's OK babe  
We can work it out or we can work it through  
We can end it now or we can run into the ground  
I'm still not falling for you, I'm still just waiting by your side, I'm just waiting by your side
