

Mele a Ka Pu`uwai

[Keali`i Reichel](#)

Here we are
In this holy place together Bearing witness as the two of you become man & wife
On this day
As you join in heart and spirit
You begin another chapter in the book of life Love...
Is the circle that surrounds you
You can find it on the faces of your family & friends
Love...
Let it wrap it's arms around you
And guide you on your journey down the road that never ends
There's a song in your heart
You can hear it if you listen
As whispers through the branches high above the family tree
And there's time
Lay it's melody upon you
You can rest assured in knowing that you're right where you should be
Love...
Is the circle that surrounds you
You can find it on the faces of your family & friends
Love...
Let it wrap it's arms around you
And guide you on your journey down the road that never ends
