

# Hibernation Song

## Pinkfong

Hibernation Song "Wow, spring has come!  
I've missed my friends!"  
An itty-bitty mouse said.  
And he tiptoed to his friends  
to wake them up. A bear is sleeping,  
a bear is sleeping,  
in a cave, in a cave.  
"Wake up my dear friend,  
wake up my dear friend.  
Spring has come,  
spring has come."  
A turtle is sleeping,  
a turtle is sleeping,  
in a burrow, in a burrow.  
"Wake up my dear friend,  
wake up my dear friend.  
Spring has come,  
spring has come." "Flip-flap butterfly!  
Let's go together!"  
A hedgehog is sleeping,  
a hedgehog is sleeping,  
in a log, in a log.  
"Wake up my dear friend,  
wake up my dear friend.  
Spring has come,  
spring has come." "Happy spring!"
