

The Difference

Philmont

I checked the map to make sure that I got it right
But still I don't know where You're taking me tonight
And I've tried so hard to mix the old life with the new
But there's not in between if I'm gonna follow You
There's gotta be a difference
It's gotta be significant
If You're really inside changing my life
You would shine, You would be evident
If there's a difference
There's a difference
Here I am, I've got this baggage by my side
But I am ready now to leave it all behind
So I'm taking this moment to tell You I'm open
I'm taking this moment to give You everything
We're not meant to be another face in the crowd
There's gotta be a difference
It's gotta be significant
'Cause You're really inside changing my life
And it's so evident that there's a difference
There's a difference
