

Angelina

Harry Belafonte

Angelina, Angelina, please bring down your concertina
And play a welcome for me cause Ill be coming home from sea
Yes its so long since Ive been
home
Seems like theres no place to roam
Well Ive sailed around the Horn
Ive been from San Jose up to Baffin Bay
And Ive rode out many a storm
Angelina, Angelina, please bring down your concertina
And play a welcome for me cause Ill be coming home from sea
Well Ive heard the bawdy tunes
Ive been in honky tonk saloons
I took my liquor by the vat
Well I stayed on call for a rousing brawl
Home was where I hung my hat
Angelina, Angelina, please bring down your concertina
And play a welcome for me cause Ill be coming home from sea
Now Ive courted many a girl
Ive been in ports all around the world
But my rambling days are done
Ive been from Curacao up to Tokyo
And Ive found theres only one
And she is Angelina, Angelina, please bring down your
concertina
And play a welcome for me cause Ill be coming home from sea
