

# Get to Gettin'

Albert Collins

Get to gettin'  
Get to gettin'  
Get to gettin', get to gettin'  
Take your baby home, pet her an' put her in bed  
Get to gettin'  
Get to gettin', get to gettin'  
Take your baby home, pet her an' put her in the bed  
Don't give me no trouble woman  
Ya heard just what I said  
Don't talk about that baby  
'Cause you know just what I'll do  
Don't talk about that baby  
'Cause you know just what I'll do  
I'll grab you woman, an' do the mess-around with you  
Get to gettin'  
Get to gettin'  
Take your baby home, pet her an' put her in bed  
Get to gettin'  
Get to gettin'  
Take you baby home, pet her an' put her in bed  
Don't give me no trouble woman  
You heard just what I said  
(Get to gettin')(Just gettin')(Get to gettin')  
(Get to gettin')  
(Get to gettin')  
(Get to gettin')  
Don't tell me baby, was your cousin on the telephone  
Don't tell me baby, was your cousin on the telephone  
Well I know you lyin', 'cause yours been dead 'long time  
(Get to gettin')  
(Get to gettin')  
(Get to gettin')  
(Get to gettin')  
(Get to gettin')  
(Get to gettin')  
(Get to gettin')  
It's you  
Hey!
