

# AC/DC

## Anvil

There's more than one way to play the game  
Getting a charge, taking the blame  
Resistance is low, gonna blow a fuse  
Turn it up babe we got nothing to lose  
AC - She'll go either way  
DC - She'll blow you away  
Hot lover with a loose connection  
Thunder & lightning, electricity  
She set me at peak intensity  
She's got me cumin', got me going  
Shorted wires, circuits blowing  
She's AC/DC  
She is AC/DC  
She is AC/DC  
Yeah she is, ya know she is  
Let me show ya?  
Signals just a comin' through  
You better look out baby  
?  
Every word I hear  
She is AC/DC  
Ya know she is AC/DC  
She likes it both ways - AC/DC  
Oh let me tell ya - AC/DC  
Oh right now - AC/DC  
Oh yeah - AC/DC  
She is AC/DC
