

Loving You Is Easy

Chris August

Loving you is elementary
Easier than 1 2 3
When I pass school so consequently
It's coming so naturally
Eh ohhhh
A is all that you have done for me
Being with you is the only place I want to be
C is the only thing is the only thing I want to see
Cause loving you is easy
1 cause you're the only one for me
2 is you and I and I hope you agree
3 is for the words that you're making me speak
I love you it's so easy
It's easy, it's easy
Loving you it's easy
Let's not make this complicated
I never made the honour roll
Cause over thinking is overrated
And it's something that you should know
Lets me count the reasons why
A is all that you have done for me
Being with you is the only place I want to be
C is the only thing is the only thing I want to see
Cause loving you is easy
1 cause you're the only one for me
2 is you and I and I hope you agree
3 is for the words that you're making me speak
I love you it's so easy
The hardest part, was finding you
But once I did, I knew...Eh ohh
Let me count the reasons why
Lets start with
A is all that you have done for me
Being with you is the only place I want to be
C is the only thing is the only thing I want to see
Cause loving you is easy
1 cause you're the only one for me
2 is you and I and I hope you agree
3 is for the words that you're making me speak
I love you it's so easy
It's easy, it's easy, it's easy
Oh Loving you it's easy
