

I'm In Love With My Life

PHASES

I'm in love with my life
I'm in love with my life
 Alright
Come and lose yourself a little while
Take a chance and let your body move
Feeling good ain't going out of style
 Alright, alright
I'm in love with my, I'm in love with my life
 Alright
 And you know it
 Let me show it
I'm in love with my life
 And you know it
I'm in love with my life
 Alright
I'm in love with my life
Come and lose yourself a little while
Take a chance and let your body move
Feeling good ain't going out of style
 Alright, alright
I'm in love with my, I'm in love with my life
 Alright
 Alright
I'm in love with my life
Come and lose yourself a little while
Take a chance and let your body move
Feeling good ain't going out of style
 Alright, alright
I'm in love with my, I'm in love with my life
 We don't need a rhyme or a reason
 It's a lovely chemistry
 We don't need a rhyme or a reason
 It's a lovely chemistry
 We don't need a rhyme or a reason
 It's a lovely chemistry
 We don't need a rhyme or a reason
 It's a lovely chemistry
I'm in love with my life
 Alright
