

1000 X's & O's

Prince

Ohh, ah, yeah U work so hard, U really do
I don't think that anyone could work as hard as U
Hot desert sun, U can feel the heat
Every drop of sweat on your brow is what I am so U best believe I got 1, 000 hugs and kisses 4
U when U come back home, baby (Ooh woo)
I got 1, 000 hugs and kisses 4 U when U come back home, baby (Ooh woo) When U give 'em
your all, and still it's only second best
U can come and lay your head upon your baby's chest
Every one of your worries, all your miseries (All your miseries)
U can put them in the little boat and ship them off 2 sea
Cuz...
(
Ohh, ah, yeah I got a 1, 000 hugs and kisses U when U come back home
Come here! The world can be, well 2 put it frankly, such a bitch sometimes
Seems like love that lasts 4ever is so damn hard 2 find
Seems like all we ever find is another reason 2 cry
As long as U got me I got your back and this is why U work so hard, U really do
I don't think that anyone could work as hard as U
Better lock the door, U better turn off the phone
Cuz I'm gonna give 1, 000 reasons why we need 2 be alone()
I got 1, 000 hugs and kisses, baby, when U get back home
When U get back home
Oh yeah
I wanna hold U, tie U up in lace
And I wanna kiss U, kiss U all over your face
I wanna love U all up and down
Give U love like U never had, all, ungagged and bound
Ooh yeah (Ohh)
I got 1, 000 hugs and kisses 4 U, baby
(I got 1, 000 hugs and kisses 4 U when U come back home, baby)
I wanna, I wanna, yeah, I wanna hug U baby, kiss U
(I got 1, 000 hugs and kisses 4 U when U come back home, baby)
Yeah yeah, ooh Love u up and love u down
Love u till u make them sounds
