

Blurry

Puddle of Mudd

Everything's so blurry
And everyone's so fake
And everybody's empty
And everything is so messed up
Preoccupied without you
I cannot live at all
My whole world surrounds you
I stumble then I crawl
You could be my someone
You could be my scene
You know that I'll protect you
From all of the obscene
I wonder what you're doing
Imagine where you are
There's oceans in between us
But that's not very far
Can you take it all away?
Can you take it all away?
Well you shoved it in my face
This pain you gave to me
Can you take it all away?
Can you take it all away?
Well you shoved it in my face
Everyone is changing
There's no one left that's real
So make up your own ending
And let me know just how you feel
Cause I am lost without you
I cannot live at all
My whole world surrounds you
I stumble then I crawl
And you could be my someone
You could be my scene
You know that I will save you
From all of the unclean
I wonder what you're doing
I wonder where you are
There's oceans in between us
But that's not very far
Can you take it all away?
Can you take it all away?
Well you shoved it in my face
This pain you gave to me
Can you take it all away?
Can you take it all away?

Well you shoved it in my face
This pain you gave to me Nobody told me what you thought
Nobody told me what to say
Everyone showed you where to turn
Told you when to run away
Nobody told you where to hide
Nobody told you what to say
Everyone showed you where to turn
Showed you when to run away Can you take it all away?
Can you take it all away?
Well you shoved it in my face
This pain you gave to me
Can you take it all away?
Can you take it all away?
Well you shoved it in my face
This pain you gave to me This pain you gave to me
This pain you gave to me
You take it all
You take it all away...
This pain you gave to me
You take it all away
This pain you gave to me
Take it all away
This pain you gave to me
