

# Fools

## Troye Sivan

I am tired of this place, I hope people change  
I need time to replace what I gave away  
And my hopes, they are high, I must keep them small  
Though I try to resist I still want it all I see swimming pools and living rooms and aeroplanes  
I see a little house on the hill and children's names  
I see quiet nights poured over ice and Tanqueray  
But everything is shattering and it's my mistake Only fools fall for you, only fools  
Only fools do what I do, only fools fall  
Only fools fall for you, only fools  
Only fools do what I do, only fools fall Oh, our lives don't collide, I'm aware of this  
We've got differences and impulses and your obsession with  
The little things you like stick, and I like aerosol  
I don't give a fuck, I'm not giving up, I still want it all  
Only fools fall for you, only fools  
Only fools do what I do, only fools fall  
Only fools fall for you, only fools  
Only fools do what I do, only fools fall I see swimming pools and living rooms and aeroplanes  
I see a little house on the hill and children's names  
I see quiet nights poured over ice and Tanqueray  
But everything is shattering and it's my mistake Only fools fall for you, only fools fall  
Only fools do what I do, only fools fall  
Only fools fall for you, only fools fall  
Only fools do what I do, only fools fall Only fools fall for you (only fools)  
Only fools do what I do (only fools)  
Only fools fall for you (only fools)  
Only fools do what I do, only fools fall  
Only fools  
Only fools  
Only fools  
Only fools
