

# Change Positions

## Pleasure P

Woaah,  
oooooh baby,Lemme start off with I love you,  
Girl you know I truely do,  
I felt like this for such a long time,And now for nothing girl I'm with it,  
The problem is I've seen it,  
Gotta couple different things on my mind,And it's about to get high,  
I can see you right what you got,  
Oh that you enticing your boy to get up in it,And there's nobody else,  
And I know kissing too,  
But I just wanna change the scenery,  
(Girl I wanna,  
Flip it and bounce it,  
Turn you around and,  
Hit it from the back just to see how you react,I want it,  
Fast and slow,  
Change the way you moan,  
But you be on that missionary,  
You don't never wanna let me,Change positions,  
Change positions,  
You just wanna see me from the front,  
I know that's what you want,  
So can we, can we,  
Change positions.)  
Now I'm not saying it ain't good,  
It's excellent, but  
Take a second if you would,  
Let me exit,  
And turn around so I can listen to the sound of your voice a  
gainst the wall bouncing back at me  
This was our first thing,  
Now on to the next thing,  
Gotta book of ideas in my head,  
For this better vibe, So when it's all over,  
Girl I'll be your soldier,  
Standing at attention for you(Girl I wanna,  
Flip it and bounce it,  
Turn you around and,  
Hit it from the back just to see how you react,I want it,  
Fast and slow,  
Change the way you moan  
But you be on that missionary,  
You don't never wanna let me,Change positions,

Change positions,  
You just wanna see me from the front,  
I know that's what you want,  
So can we, can we,  
Change positions.)Now I know you ain't used to all this,  
You're a work of beauty,  
I'm the artist,  
I wanna hold you,  
Mold your body right,  
Wait to tonight cause girl,(Girl I wanna,  
Flip it and bounce it,  
Turn you around and,  
Hit it from the back just to see how you react,I want it,  
Fast and slow,  
Change the way you moan  
But you be on that missionary,  
You don't never wanna let me,Change positions,  
Change positions,  
You just wanna see me from the front,  
I know that's what you want,  
So can we, can we,  
Change positions.)Change positions,  
Change positions,  
You just wanna see me from the front,  
I know that's what you want,  
So can we, can we,  
Change positions.Feels so good it make me wanna cry, ooh baby...
