

# Show Me the Money

Petey Pablo

This is definitely the wickedest thing I ever hear in my life!  
Show off that body you got  
You got the dance, glow so hot  
You workin' that, you twerkin' that You tickin' that like a clock  
Can't nobody do it like I do it  
When I do it, dog I do it  
(Break it down)  
Break it down, put your back into it  
Man, y'all ain't ready for the I'm doing  
(So get up)  
Get up, put your drinks down  
Don't want y'all sloshing yo' drinks out  
All over that cheap blouse  
Ain't nothing but a swallow in it anyhow  
(Still me)  
Still me, I just changed the sound  
To the other one I had and just swapped it out  
(Switch!)  
Kept somethin' in background? Cause you love the song  
But you in love wit the background  
C'mon let a mama work for me  
Make a player wanna spend some money  
I don't really like spendin' money But if you do what you do and do it well I'ma  
Show off that body you got  
You got the dance, glow so hot  
You workin' that, you twerkin' that  
You tickin' that like a clock  
Show off that body you got  
You got the dance, glow so hot  
You workin' that, you twerkin' that  
You tickin' that like a clock  
Look good, and thick, nothin' in? em, I'm hurtin'  
No silicon, no lipo, no botox, no dumpty dump  
All natural in today's world  
When her mama brought her in this world  
Good lookin' mama! That good and hot and def make a athlete lose his breath  
And if you got ass, move your little bump south  
You're gonna need a couple skirts, fallin' out  
10.5 on the Richter scale, the highest number you can go is 12  
Shorty shake it like hell, we ought to be shame ourselves  
The Creator couldn't rock the bed that well Look at her breakin' it down ridin' this beat like wow!  
If I was a jail man I'd gun her down

Show off that body you got  
You got the dance, glow so hot  
You workin' that, you twerkin' that  
You tickin' that like a clock  
Show off that body you got  
You got the dance, glow so hot  
You workin' that, you twerkin' that  
You tickin' that like a clock  
This is definitely the wickedest thing I ever hear in my life!  
Ok!

I been sippin' on that Patron  
I'm ready give you what you want  
Might not feel the same way tomorrow  
But I'll deal with that tomorrow? Cause tonight you got me feelin'  
Like I wanna take you home  
Show off that body you got  
You got the dance, glow so hot  
You workin' that, you twerkin' that  
You tickin' that like a clock  
Show off that body you got  
You got the dance, glow so hot  
You workin' that, you twerkin' that  
You tickin' that like a clock
