

# Wings

## Birdy

Sunlight comes creeping in  
Illuminates our skin  
We watch the day go by  
Stories of what we did  
It made me think of you  
It made me think of you Under a trillion stars  
We danced on top of cars  
Took pictures of the stage  
So far from where we are  
They made me think of you  
They made me think of you Oh lights go down  
In the moment we're lost and found  
I just wanna be by your side  
If these wings could fly  
For the rest of our lives  
I'm in a foreign state  
My thoughts they slip away  
My words are leaving me  
They caught an aeroplane  
Because I thought of you  
Just for the thought of you Oh lights go down  
In the moment we're lost and found  
I just wanna be by your side  
If these wings could fly  
Oh damn these walls  
In the moment we're ten feet tall  
And how you told me after it all  
We'd remember tonight  
For the rest of our lives If these wings could fly  
Oh lights go down  
In the moment we're lost and found  
I just wanna be by your side  
If these wings could fly  
Oh damn these walls  
In the moment we're ten feet tall  
And how you told me after it all  
We'd remember tonight  
For the rest of our lives
