

# Humble & Kind

[Lori McKenna](#)

You know there's a light that glows by the front door  
Don't forget the key's under the mat  
When childhood stars shine  
Always stay humble and kind Go to church 'cause your mamma says to  
Visit grandpa every chance that you can  
It won't be wasted time  
Always stay humble and kind Hold the door, say "please", say "thank you"  
Don't steal, don't cheat, and don't lie  
I know you got mountains to climb  
But always stay humble and kind  
When the dreams you're dreamin' come to you  
When the work you put in is realized  
Let yourself feel the pride  
But always stay humble and kind  
Don't expect a free ride from no one  
Don't hold a grudge or a chip and here's why  
Bitterness keeps you from flyin'  
Always stay humble and kind Know the difference between sleeping with someone  
And sleeping with someone you love  
"I love you" ain't no pick-up line  
So always stay humble and kind Hold the door, say "please", say "thank you"  
Don't steal, don't cheat, and don't lie  
I know you got mountains to climb  
But always stay humble and kind  
When those dreams you're dreamin' come to you  
When the work you put in is realized  
Let yourself feel the pride  
But always stay humble and kind  
When it's hot, eat a root beer popsicle  
Shut off the AC and roll the windows down  
Let that summer sun shine  
Always stay humble and kind  
Don't take for granted the love this life gives you  
When you get where you're going the right back around  
And help the next one in line  
Always stay humble and kind
