

Where Is My Love

My Indigo

My mama said he'd love me
Right down to the bone
My mama said he'd hold me
And never let me go
But no more, no no more, no more Why am I here to protect you
Here to defend you
I don't know anymore
No, I don't know, no, no I don't know
Why I'm here to perfect you,
Here to believe you
I don't know anymore
Where is my love?
Where is my love?
Yeah
My mama pushed my head up
And said never let it show
My mama said loves fooled me
But you are not alone
So no more, no, no more, no more Why am I here to protect you
Here to defend you
I don't know anymore
No I don't know, no, no I don't know
Why I'm here to perfect you,
Here to believe you
I don't know anymore
Where is my love? It's a man's world that where we are living in
And it's careless and it's cold
Our children will reap, reap what we sow
To every father and son,
Every brother and friend
Bring this curse to an end
Why am I here to protect you
Here to defend you
I don't know anymore
No I don't know, no, no I don't know
Why I'm here to perfect you
Here to believe you
I don't know anymore
Where is my love?
Where is my love?
Yeah Where is my love?

My mama said he'd love me
