

Breakthrough

Atomic Rooster

Crane-Darnell

An invisible prison encircles my mind.
I wait for a vision, i search for a sign.
An invisible prison is built around me,
There may be a god, but there isn't a key.
I got to break-out, i have to be free.
I got to break-out, it's stifling me.

Help me!

I got to make a breakthrough,
I got to make a breakthrough,
i got to make a breakthrough,
I got to make a breakthrough.

Now!

I must find a way, i must find a way,
I must find a way, out of here.
An invisible prison, i cannot escape.
With walls i can't see, with walls i can't break.
An invisible prison, how can i be free?
There isn't a god, for the jailer is me.
I got to break-out, i have to be free.
I got to break out, it's stifling me.

Help me!

I got to make a breakthrough
I got to make a breakthrough,
I got to make a breakthrough,
I got to make a breakthrough,

Now!

I must find a way, i must find a way,
I must find a way out of here.
There's got to be a way, yeah, there's got to be a way,
There's got to be a way on out of here, babe, yeah.
I can't find a way, i can't find a way,
I can't find a way out of here.
There must be a way, there must be a way,
There must be a way out of here.
Let me out, let me out, let me out please!
Oh, there must be a way, there must be a way,
There must be a way out of here.
