

I Want Your Sex

George Michael

There's things that you guess
And things that you know
There's boys that you can trust
And girls that you don't
There's little things you hide
And little things that you show
Sometimes you think you're gonna get it
But you don't and that's just the way it goes
I swear I won't tease you won't tell you no lies Yeah
I don't need no bible just look in my eyes
I've waited so long baby now that we're friends
Every man's got his patience and here's where mine ends

I want your sex

I want your love

I want your sex

I want your sex It's playing on my mind

It's dancing on my soul

It's taken so much time

So why don't you just let me go?

I'd really like to try

Oh, I'd really love to know

When you tell me you're gonna regret it

Then I tell you that I love you but you still say NO!
I swear I won't tease you won't tell you no
lies Yeah

I don't need no bible just look in my eyes Oooo

I've waited so long baby out in the cold

I can't take much more girl I'm losing control
I want your sex

I want your love

I want your sex

I want your sex, sex

Ow (It's natural)

(It's chemical)

Let's do it

(It's logical)

(habitual)

Can we do it?

(It's sensual)

But most of all

Sex is something that we should do

Sex is something for me and you
Sex is natural sex is good

Not everybody does it

But everybody should

Sex is natural sex is fun

Sex is best when it's one on one

One on oneHooah (sex) I'm not your father

Because I love you

Baby, your not so unkind
Oh
Come on, I want your sex
Come on, I want your sex
That's right all night
Oh, I want your sex
I want your sex
Sexy baby, sexy body
Keeps me guessing with a promise
Well, I know we can come together
But the question is will we ever ever?
Sexy baby (sexy baby)
Sexy body (sexy body)
Keeps me guessing
(keeps me guessing) with a promise, oooo

I know we can come together
But the question is will we ever ever?
Together
You and me
Ow
