

# Closure

## Gerald Levert

Closure Hoo... ooh... babe  
Baby  
Hoo... hoo... ooh...  
Oh, babe  
Oh, babe  
Oh, baby, baby, baby, baby When did you stop lovin' me  
What did I do so wrong  
That you had to leave  
When did you stop wantin' me  
No letters, no call  
Girl, you know I'm needy Baby, this thing has took its toll  
On my mind, my body, and soul, baby  
Can't get you out of system  
Out of my head  
Out of my future  
Out of my bed I hear your name  
I see your face  
I lose all composure  
I need to see you one more time  
I need closure Hoo... ooh... (Hoo, baby, baby) Can we go somewhere, baby  
And talk about  
All the things I did to stress you out (Hoo... hoo...)  
I won't be satisfied (No way)  
Till I understand why  
Why you ain't here in my life  
Can you just give me that much (Yeah)  
Don't leave me hanging without a crutch Can't get you out of system (Can't get you out)  
Out of my head (Out of my head)  
Out of my future (My future)  
Out of my bed (My bed) I hear your name (Hear your name)  
I see your face (See your face, babe)  
I lose all composure (Hoo, baby)  
I need to see you one more time  
I need closure (Ooh... closure) Hoo... ooh... ooh... closure (Closure)  
Hoo... ooh... Why, that is the question  
Every day I ask myself  
Since you went away, baby (Hoo, baby)  
I wasn't perfect (No way)  
Tell me were you (Were you, babe)  
You said everyday I love you (You said, you said) Can't get you out of system (Ooh... hoo...)  
Out of my head  
Out of my future (No way)

Out of my bed (No way, baby) I hear your name (I hear your name)  
I see your face (I see your face, babe)  
I lose all composure (I get all chocked up inside)  
I need to see you one more time  
I need closure (Closure) Hoo... ooh... ooh... closure (I need to know why did you  
leave me, baby)  
Hoo... ooh... ooh... closure (Why did you go away, baby)  
Hoo... ooh... ooh... closure (Why did you pick up and  
leave me)  
I need to see you one more time (Na-na-na-na-na)  
I need closure
